Police Officer's Report – Chief Sherri Hansen was not present, and Chairman Barlow read the report for the month of June. The report of Police Department activities included working 286 hours and 25 hours in Freedom Township. The department drove 1484 miles and used 118.9 gallons of fuel. Activity included: 911 Incidents - 15; Traffic Citations -75; Faulty Equipment -8; On Call Hours -29; Warnings -22; Misdemeanor/Felony Arrests -0; and PSP Calls-3. Service to Freedom Township included: Working 25 hours with zero 911 incidents, 31 traffic citations and 9 warnings. He went on to report that the old ENRADD had been repaired and a new one was on order. The report stated that Officer Roosen had completed Taser Instructor training and that the tasers need replaced. Chief Hansen is currently getting quotes for new tasers and a license plate reader. She worked on the contract with Freedom Township and the 2022 budget. Carroll Valley Borough has decided not to participate in National Night Out this year, but plans to participate next year.

Zoning Officer's Report - Mr. Barlow reported that three zoning permits were issued in June with \$205 permit fees collected.

Roadmaster Report – Roadmaster Barlow reported that Irishtown, Brent, Bullfrog and Old Waynesboro Road have been tarred and chipped and the fog seal is scheduled. All of the new road signs have been replaced and we are now in State compliance. He discussed working on McGlaughlin Road next year. The Roadmaster met with Adams County Conservation District to discuss getting a grant to complete McGlaughlin Road. The township qualifies for the grant however, there is only \$100,000 allocated for all the townships, therefore they cannot fund the entire project. They also have additional rules that must be followed if we apply and accept the grant. Their rules my put us over

budget. Currently, there are two pipes in the road on the lower half of McGlaughlin that need replaced. The county price for new pipes, head wall and to dig up the road is \$112,000 that does not include tar. The project will cost more than \$56,000. Liberty Township can do the project without the grant and not have to comply with county rules. Wildlife studies would also have to be conducted if we chose to use the Land Conservation District. The Roadmaster stated that he has a meeting with PennDOT on July 14, 2021 to get prices for the work needed on McGlaughlin Road. The Road Department swapped labor hours with Hamiltonban two weeks ago. We gave them 68-man hours of flagging. Hamiltonban is going to provide labor for some future projects. Hamiltonban also asked if we would be interested in splitting the cost of renting a grader for one month. Each township would get the grader for two weeks. The cost of the grader is \$4000.00, and that cost would be shared between the two townships. The Road Department drove 1400 miles, used 135 gallons of fuel and 115 gallons of diesel fuel was used. The Township hired Richard Haywood as a part-time seasonal road crew employee. KPI is working to complete the permit that will allow work on the Old Waynesboro Road Bridge.
