Annual Audit and Financial Report (DCED-CLGS-30)

December 31 2023

# Liberty Township, Adams County

#### INDEPENDENT AUDITOR'S REPORT

Board of Supervisors Liberty Township, Adams County Fairfield, Pennsylvania President Judge of the Court of Common Pleas Secretary of the Department of Community and Economic Development

#### **Opinion**

We have audited the accompanying modified cash basis financial statements of Liberty Township, Adams County, Pennsylvania, which comprises the balance sheet as of December 31, 2023, and the related statement of revenues and expenditures, debt statement and statement of capital expenditures for the year then ended, and the related notes to the financial statements in the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania.

In our opinion, the financial statements referred to above present fairly, in all material respects, the modified cash basis financial position of Liberty Township, Adams County, Pennsylvania, as of December 31, 2023, and the changes in the modified cash basis financial position and related debt statement and statement of capital expenditures for the year then ended, in accordance with the financial reporting provisions of the modified cash basis of accounting within the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania described in Note 1.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Liberty Township, Adams County, Pennsylvania, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting within the format prescribed by the Department of Community and Economic Development of the Commonwealth of Pennsylvania, which is a basis of accounting other than accounting principles generally accepted in the United States of America. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting within the financial reporting provisions of the Department of Community and Economic Development of the Commonwealth of Pennsylvania described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Liberty Township, Adams County, Pennsylvania's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Liberty Township, Adams County, Pennsylvania's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

#### Restriction on Use

This report is intended solely for the information and use of the Board of Supervisors, management of Liberty Township, Adams County, Pennsylvania, President Judge of the Court of the Common Pleas, and the Secretary of the Department of Community and Economic Development and is not intended to be and should not be used by anyone other than these specified parties.

#### NOTE 1 BASIS OF ACCOUNTING

The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, certain revenues and related assets are recognized when received rather that when earned, and certain expenses are recognized when paid rather that when a liability is incurred. The accompanying annual financial report was prepared for the purpose of complying with the rules and regulations of the Department of Community and Economic Development of the Commonwealth of Pennsylvania, and does not include supporting disclosures, government-wide statements or cash flows statements, if applicable, and it is not intended to be a complete presentation of Liberty Township's assets liabilities, revenues and expenses.

#### NOTE 2 FIDUCIARY FUND

The Township has two pension plans. The police pension plan is a single employer defined benefit pension plan which is reported on the DCED report because the Township is holding the assets in a fiduciary capacity. The non- uniform pension plan is a defined contribution pension plan which is not reported on the DCED because the Township does not hold those assets in a fiduciary capacity.

#### NOTE 3 AMUSEMENT/ADMISSION TAX - LINE 310.60

The Township levies this tax, but there was none necessary to assess during the current year.
