Roadmaster Report — Mr. Barlow reported that the road department drove 1,260 miles which was mostly from snow plowing. The Department used 1020 gallons of diesel fuel and 93 gallons of gasoline. The Planning Commission met on Tuesday January 19, 2021 with some members present in the Township Office and some members on Zoom. The Planning Commission Reorganized as follows: Judie Hogan, Chair; Rich Luquette, Vice Chair; and Barb Ruppert, Secretary. Joshua Holmes presented a Sketch Plan via Zoom asking questions about a land addition from a property currently owned by a neighbor (Smith). Currently the neighbor does not have enough land to subdivide. There is a question about lots being put together without having a new deed drawn up. Josh's desire is because he wants to put a shed on his property; he is time driven, but the neighbor is not, although he is in agreement of selling to Josh. Dominic suggested that the best thing to do would be to have a reverse subdivision that joins his two

lots as one, adding the portion he purchases from Smith, and do the same on the Smith property. It was suggested that Josh talk with a surveyor or engineer. There is no business before the Planning Commission and the meeting for February 16, 2021 has been cancelled.
